

Council for the Built Environment (the CBE) is a statutory body established under the Council for the Built Environment Act (no. 43 of 2000). It is an overarching body that coordinates six professional councils (architecture, engineering, landscape architecture, project and construction management, property valuation and quantity surveying - all operating within the built environment) for the purpose of promoting good conduct within the profession, transforming the professions and advising the South African Government on built environment related issues.

CALL FOR PROPOSALS: INFORMATION TECHNOLOGY

The CBE invites written proposals from well resourced institutions with suitably qualified professionals to provide information technology support.

There will be a compulsory briefing session scheduled as follows:

Date : 26 August 2011
