

DEPARTMENT OF PUBLIC WORKS KZN

BURSARY APPLICATIONS FOR 2010

1. The Department of Public Works is inviting students who would like to develop themselves by furthering their studies through applying for bursaries. South Africa is facing a shortage in professionals in the Built Environment. Therefore we encourage students to apply for the following disciplines:

- Mechanical Engineering
- Civil Engineering
- Electrical Engineering
- Quantity Surveying
- Architecture
- Construction Project Management
- Property Valuation

Applicants can retrieve bursary application forms from the Internet www.kznworks.gov.za. For more information about bursary application forms and any other enquiries please contact the following employees at the Department of Public Works:
